### Chairman's Message

*"Nursing Care a critical and integral component of health care"*

Dear Learner

I have great pleasure in presenting to you this prospectus of the Brahm Shakti School of Nursing (BSSoN).

This complete prospectus and the

updated at all times.

At BSSoN the aim is to equip the individual with healing capabilities which include knowledge, skills, practical and hands on training of nursing care---yet keeping the nobility and the soul of the profession intact!

This could well be the USP of BSSoN!

Health for all! Is a programming goal of the WHO (World Health Organization) which envisions securing the health and wellbeing of people around the world that has been popularized since the 1970's

The implementation of this goal asks

for changes across the world, at every level of the health care system and in the role of every health care professional ---including nursing care!

This implies a revolution and the need to spread the reach of knowledge in a structured and organised manner. Essentially meaning the decentralization of

Brahm Shakti school of nursing is approved and recognised by the Indian Nursing Council (INC), Delhi Nursing Council (DNC), Department of Health and family Welfare, Govt Of NCT of Delhi.

I hope this institute would cater to the present needs and evolve continuously to meet the needs of the future.

My sincere endeavour will always be towards staying abreast with times being innovative and providing means, tools, and techniques to achieve demanding industry and world standards

Welcoming and wishing you the best on embarking upon a career in health care

## From the Principal desk

Dear Aspirant

It gives me immense pleasure and satisfaction in bringing out and presenting to you all yet another edition of the Brahm Shakti School of Nursing (BSSoN) --- the 3rd edition.

I am privileged for having been selected to be the first principal of the School and continue to be at the helm of affairs!

This is the third year of the school, with two very successful, eventful and high achievement year' gone by (2015, 2016)!

Our students of the earlier batches passed out with flying colors with a success rate of 100 %.

“School will keep it tryst with destiny to provide quality nursing education at an affordable fee and be home to nurturing and grooming nursing staff who are acceptable ---unconditionally, across the land.”

We also have added the GNM program and look forward to add more programs ---relevant to nursing care.

I am yet again confident and assure aspiring students, their parents, the management @BSSoN, the society at large that no stone will be left unturned in making BSSoN-world class!

The school will keep it tryst with destiny to provide quality nursing education at an affordable fee and be home to nurturing and grooming nursing staff who are acceptable ---unconditionally, across the land.

The students from the school will be rich in knowledge, skill set and empathy to be of service to the society. I see them as being

“continuously growing list of arrangements in reputed health centers, Govt. hospitals of the city in addition to its parent hospital Brahm Shakti Hospital for imparting clinical training, exposure and experience to its students.”

instrumental in spreading happiness thru health gains of members of families thru health care.

BSSoN aims at teaching the art and science of nursing to its students—in real practical sense, rising above the customary formal education.

To achieve this the school has a continuously growing list of arrangements in reputed health centers, Govt. hospitals of the city in addition to its parent hospital Brahm Shakti Hospital for imparting clinical training, exposure and experience to its students.

The parent hospital --Brahm Shakti Hospital located at Budh Vihar Delhi is a well known 100 bedded hospital spread in an expanse of over 3 acres and is a landmark! The School is located in the campus are of this landmark hospital.

The hospital continues to progress, evolve and serves over 10 lakh population with a singular mission to provide world class health care to all at an affordable price.

The school of nursing has a strong intent to follow in the footsteps of its parent hospital, carve a niche for itself and provide quality world class nursing education at affordable fee.

It goes without saying that the students of the school on completing their program/s will have an edge over others in terms of placement ---yes! Based, on knowledge, skill set, efficiency!

I ask aspiring students to make informed decision while making a choice of school for education and invite them for a discussion and te a te .

Wishing the best and welcoming you to the state of the art school of nursing

Neelima Kishore  
Principal

“Students of the school on completing their program/s will have an edge over others in terms of placement --- yes! Based, on knowledge, skill set, efficiency!”
